

Academic Board Resolutions on Selection

Master of Emergency Medicine

- 1 The Selection Committee will evaluate the applicant's ability successfully to pursue the course using the following criteria:
 - a degree in Medicine; and
 - at least two years relevant experience in a health service setting, including no less than one year in Emergency Medicine; and
 - eligibility for registration as a medical practitioner in the State of Victoria; and
 - English language ability of at least IELTS 7 overall and with a score of no less than 7 in speaking and listening, or equivalent; and
 - nomination by a hospital participating in the course.

- 2 The Selection Committee may conduct interviews or tests and may call for portfolios of work, referee reports or employer references to elucidate any of the matters referred to above.
