Dear Professor Gilbert,

Re: Proposal for Appointment of a Professor/Director of Cardiology (Austin Health)

At its meeting on 5 June 2003 the Executive Committee of the Faculty of Medicine, Dentistry and Health Sciences approved on behalf of the Faculty a proposal for the establishment of the position of Professor/Director of Cardiology at Austin Health under Regulation 7.1.R3.2.

The proposal set out in attachment 1 seeks the appointment of a Professor/Director of Cardiology to provide academic leadership in cardiology and its related services at Austin Health. The appointment would be held in the University Department of Medicine at the Austin and Repatriation Medical Centre/Northern Health.

We would appreciate this item being submitted to the next Planning and Budget Committee for approval.

Yours sincerely
