

PROPOSAL FOR NEW STUDENT AWARD

Plant Pathology and Mycology Scholarship

1. Faculty sponsoring the proposal

Faculty of Science

2. Title of Prize

The Plant Pathology and Mycology Scholarship.

3. Nature and Value of the Award

The value of the Award will be the net annual income of the Endowment Fund held in the School of Botany Foundation.

4. Donor

Inaugural donor Dr Gretna Weste.

5. Period of Commitment by Donor

Each year commencing 2004.

6. Eligibility

A student who is enrolled for a B.Sc (Honours) or, a full time or a part time postgraduate degree, studying in the School of Botany.

7. Criteria for Selection

Awarded on the recommendation of a selection committee made up of staff from the School of Botany and chaired by the Head of the School of Botany, the scholarship should provide encouragement and reward to a student of merit engaged in the postgraduate research field of plant pathology or mycology. If it is felt no student is qualified in any one year, the income will be added to capital of the fund.
