

R6.21 - WRIXON EXHIBITION

Recital-

- A. The Honourable Sir Henry John Wrixon, KCMG, MA vice-chancellor of the University presented to the University the sum of £600 for the purpose of founding an exhibition in Agriculture.

It is provided as follows-

1. The sum of £600 and any accumulations and additions to the sum forms a fund called the "Wrixon Exhibition" ("fund") and the fund must be paid into an investment pool and remain there until Council directs otherwise.
2. The exhibition is of the value of the net annual income of the fund.
3. Council hereby authorises the dean of Melbourne School of Land and Environment to award each exhibition on behalf of the University to the student with the highest aggregate marks in an honours year in agriculture.
4. If at any time, and for whatever reason, it becomes impracticable or impossible to carry out the purposes for which the fund is established, then Council may apply the income of the fund and, where necessary, the capital, for such other purposes as are, in its opinion, most closely in accordance with the original purposes.
