

## **R6.64 - FREDA COHEN PRIZE**

### **Recitals-**

- A. Brigadier Harold Edward Cohen, CMG, CBE, DSO, VD, of Melbourne presented to the University the sum of £1,500 to form the endowment of a prize in connection with the course for the degree of master of Education.
- B. The sum of £1,500 increased to \$4,528 at 31 December 1994.

It is provided as follows-

1. The sum of \$4,528 and any accumulations and additions to the sum forms a fund called the "Freda Cohen Prize" ("the fund") and the fund must be paid into an investment pool and remain there until the Council directs otherwise.
2. The prize is awarded annually in March to the candidate who submits the most meritorious thesis for assessment for the degree of master of Education during the preceding year.
3. The prize shall not be awarded in respect of any thesis which is adjudged by the examiners to be of insufficient merit to entitle the candidate submitting such thesis to pass the assessment for the degree.
4. The examiners for the prize are those duly appointed to examine theses presented in the year of the award for assessment for the degree of master of Education. The examiners must consult together concerning the award of the prize, and in a division of opinion the view of the majority of the examiners prevails.
5. The value of the prize is the net annual income of the fund.
