

R6.146 - BRYAN SCHOLARSHIPS

Recitals-

- A. Frederick Bryan late of Highdene Guildford in the County of Surrey formerly of 49 Harley Street in the County of Middlesex Medical Practitioner who died on 12 July 1922 bequeathed the residue of his estate "to the trustees for the time being of the University of Melbourne upon trust to use and apply the same as and for the endowment of a scholarship or scholarships in Natural Science tenable at the said University to be awarded and held in such manner as the said last mentioned trustees shall think fit and to be named (if the said trustees consider proper) the "Bryan Scholarship or Scholarships" in memory of his mother and of the benefits conferred upon him in early life.
- B. The University received the sum of \$14,028 in satisfaction of the bequest, which sum increased to \$26,906 at 31 December 1994.

It is provided as follows-

- 1. The sum of \$26,906 and any accumulations and additions to the sum forms a fund called the "Bryan Scholarships" ("the fund") and the fund must be paid into an investment pool and remain there until the Council directs otherwise.
- 2. The scholarships are awarded by the Council on the recommendation of the faculty of Science to candidates who have completed the course for the degree of bachelor of Science and who are undertaking or are about to undertake the course for the degree of bachelor of Science with honours in a branch of Natural Science.
- 3. Two scholarships are available for award each year, one only of which awarded to a student undertaking his or her course in a Biological Science department of the faculty.
- 4. The value of each scholarship is one half of the net annual income of the fund for the preceding year.
- 5. The ordinary tenure of the scholarship is one year but if, at any time, the Council is of the opinion that a scholar is not pursuing his or her work satisfactorily it may terminate the scholarship.
