

R7.64 - The Dental Alumni Research Foundation

Recitals-

- A. The University received the sum of £7,000 for the establishment of a fund for the endowment of research related to dental science to be known as 'The Dental Alumni Research Foundation'.
- B. The sum of £7,000 remained at \$14,000 at 31 December 1994.

It is provided as follows-

- 1. The sum of \$14,000 forms a fund (hereinafter called 'the fund') known as 'The Dental Alumni Research Foundation' which is hereby established which, together with any further sums which may be received for the purpose and with its accumulations, forms an endowment for research related to Dental Science and is invested as the Council may from time to time direct.
- 2. Capital and income of the fund is to be applied as hereinafter provided.
- 3. The Council, on the recommendation of the head of the school of Dental Science ("the head"), may, from time to time-
 - (i) grant to any person conducting research related to dental science such financial assistance as the head thinks fit, whether by appointing such persons as research scholars or by paying necessary expenses, of research or otherwise, or
 - (ii) provide equipment and build, or alter, buildings for research in the school of Dental Science or grant financial assistance for these purposes.
- 4. Every research scholar appointed under this regulation is known as a 'Dental Alumni Research Scholar' and any work published by such a scholar or by any person whose work has been substantially assisted from the fund must contain an acknowledgment of such assistance.
