

Earth Sciences

The School of Earth Sciences offers three first-year subjects in earth sciences which may be taken as part of the Bachelor of Arts degree.

Faculty of Arts requirements

Students undertaking the Bachelor of Arts are permitted to enrol in a range of subjects offered by other faculties, but must complete a minimum of 50 points of first-year subjects in areas of study approved by the Faculty of Arts. See *Arts-approved subject requirement (p.5)* for more information.

BA combined course students are not permitted to enrol in these subjects for credit towards the arts component of the combined degree. Please consult a Faculty of Arts course adviser for more information.
