

# Earth Sciences

The School of Earth Sciences offers three first-year subjects in earth sciences which may be taken as part of the Bachelor of Arts degree.

## Faculty of Arts requirements

Students undertaking the Bachelor of Arts are permitted to enrol in a range of subjects offered by other faculties, but must complete a minimum of 50 points of first-year subjects in areas of study approved by the Faculty of Arts. See *Arts-approved subject requirement (p.6)* for more information.

BA combined course students are not permitted to enrol in these subjects for credit towards the arts component of the combined degree. Please consult a Faculty of Arts course adviser for more information.
