

Regulation 8.1.R8 - THE UNIVERSITY OF MELBOURNE VETERINARY HOSPITAL

Interpretation

1. In this regulation-

"**Hospital**" means The University of Melbourne Veterinary Hospital;

"**school**" means the school of Veterinary Science established under Statute 5.1;

"**faculty**" means the faculty of Veterinary Science.

Establishment

2. The University of Melbourne Veterinary Hospital is a department of the University within the faculty operating as a semi-autonomous body with a board, pursuant to Statute 8.1.

Objectives of the Hospital

3. The objectives of the Hospital are -

- (a) to enable students in the courses for the degrees and diplomas of the faculty to receive clinical instruction and training and to conduct research under the supervision of the school;
- (b) to promote and encourage research in a hospital environment into diseases and disabilities affecting animals and to provide the facilities for such research; and
- (c) to provide veterinary services of a medical, surgical and pathological consultative nature to the community on a commercial basis.
