

## **STATUTE 1.6 – EXTERNAL APPEALS**

### **Statutes and Regulations of the University**

1.6.1 The statutes and regulations of the University set out various powers, duties and functions of office-holders and bodies within the University for the resolution of disputes, the making of determinations and other matters concerning the affairs of the University.

### **Internal procedures for addressing student and staff complaints and grievances**

1.6.2 Council may from time to time promulgate internal procedures which apply within the University for addressing student and staff complaints and grievances.

### **External appeals not excluded**

1.6.3 Nothing in the statutes or regulations excludes or is intended to exclude:

- (1) the operation of any law giving a person a right to apply to a court for review of a decision or determination made under any of the statutes or regulations; or
- (2) the right of any student or member of staff to lodge complaints and grievances with an appropriate body external to the University, including the relevant ombudsman or equivalent agency.
