Lindsay Charles Gamble, late of Flat 2, 97 High Street, Berwick, in the State of Victoria, who died on 17 July 1996, bequeathed a one-seventh share of his residuary estate "to the UNIVERSITY OF MELBOURNE and I EXPRESS MY WISH AND DESIRE that the monies be used for agricultural research in and about the State of Victoria and I EXPRESS MY WISH AND DESIRE that the bequest be acknowledged as a gift from myself and my late wife ALICE GAMBLE"

B. The University has received the sum of $177,897.70 in partial satisfaction of the bequest.

C. The Faculty of Veterinary and Agricultural Sciences had decided that, at least for the time being, it will offer postgraduate research scholarships, using both income and capital, but that different uses for the fund may be decided in the future.

It is provided as follows-

1. The sum of $177,897.70 and any accumulations and additions to the sum forms a fund called the "Lindsay and Alice Gamble Fund" ("the fund") and the fund must be paid into an investment pool and remain there until the Council directs otherwise.

2. For the time being, both the capital of the fund and its income are to be used to provide postgraduate research scholarships for agricultural research in and about the State of Victoria, but that use of the fund may, at the discretion of the Council, on the recommendation of the Faculty of Veterinary and Agricultural Sciences ("the Faculty"), be changed to other agricultural research purposes in and about the State of Victoria.

3. Any scholarship which is financed from the fund is-
   (a) known as a "Lindsay and Alice Gamble Scholarship", and
   (b) awarded by the Council on the recommendation of the Dean of the Faculty.
