11.5.R2 - ACADEMIC DRESS

(1) Unless otherwise provided by Council, graduates and undergraduates must appear in academic dress at public ceremonies of the University and on any other occasions Council prescribes.

Academic dress for undergraduates

(2) The academic dress for undergraduates is a plain black stuff gown.

Academic dress for graduate diplomates

(3) The academic dress for graduate diplomates is the habit of their degrees.

Academic dress for members of Council and members of staff of the University

(4) The academic dress for members of Council, members of the academic staff, members of faculties and the professional staff of the University is the habit of their degrees or a gown and trencher as for a master of Arts.

Hoods

(5) A hood referred to in this regulation is of the size and shape of the hood of the Oxford master of Arts.

Academic dress for bachelors

(6) The academic dress for bachelors is a plain black stuff bachelor's gown with a hood of black silk bound with white silk and lined with the colour of the faculty, school or professional grouping.

Academic dress for masters

(7) Academic dress for masters is a plain black stuff master's gown, a black trencher cap with a black silk tassel and a hood of black silk lined with the colour of the faculty, school or professional grouping.

Academic dress for extended masters

(8) In the academic dress for extended masters, the silk tassel is of the same colour as the lining of the hood. The hood is lined with the colour of the discipline as detailed in section 15.

Academic dress for juris doctor

(9) The academic dress for juris doctor is that of a masters level degree except that the tassel on the trencher cap is white silk rather than black silk.

Academic dress for doctors of Physiotherapy, Dental Surgery, Medicine, Optometry and Veterinary Medicine
(10) The academic dress for doctors of Physiotherapy, Dental Surgery, Medicine, Optometry and Veterinary Medicine is that of a masters level degree except that the silk tassel is of the same colour as the lining of the hood. The hood is lined with the colour of the discipline as detailed in section 15.

Academic dress for doctors of Philosophy

(11) Full academic dress for doctors of Philosophy is a black velvet bonnet and a black gown, faced with cherry silk, and a hood of cherry silk lined with cherry silk.

Academic dress for other doctors

(12) The academic dress for all other doctorates, except for full dress, is a black trencher cap with a black silk tassel and a black gown with full sleeves and a hood of their degree. Full academic dress for all other doctorates is a black velvet bonnet, a cherry gown faced with their faculty colour with a hood of black silk lined with colour of the faculty, school or professional grouping.

Academic Dress for diplomates other than graduate diplomates (where applicable)

(13) Academic dress for diplomates other than graduate diplomates is a plain black stuff gown with a black silk stole lined with the colour of the faculty, school or professional grouping.

Choice of Colours

(14) The choice of colours used in this regulation is delegated to the Board.

Academic colours

(15) Faculty or school colour
