3. The scholarship is awarded annually by Council on the recommendation of the Dean of the Faculty (‘the Dean’).

4. The term of the scholarship is one year but Council, on the recommendation of the Dean, may extend the scholarship provided that the scholarship may not be awarded to a recipient for a period exceeding three years.

5. Council may draw on the capital to provide the first scholarship which will be of such value as Council on the recommendation of the Dean may decide.

6. In the second and subsequent years the value of the scholarship is such as Council, on the recommendation of the Dean, may decide but must not exceed the net annual income of the fund.
