UTR 6.435 – THE BHARAT DAVE SCHOLARSHIP

Background

A. The University raised through a limited appeal the sum of $53,460.90 (Gift) to establish, in perpetuity, The Bharat Dave Scholarship (Fund).

B. The purpose of the Fund is to support scholarships for research and learning in the fields of design and computation in the Faculty of Architecture Building and Planning or its equivalent at the University of Melbourne (Purpose).

C. Professor Bharat Dave (30 April 1956 – 5 June 2014) joined the Faculty of Architecture, Building and Planning (Faculty) in 1997. He was an alumnus of the Swiss Federal Institute of Technology (ETH Zurich), Carnegie Mellon University and the School of Architecture, Ahmedabad and held teaching positions in the USA, Switzerland, India and Australia. His research revolved around spatial design practices and futures supported by digital technologies. He served in the Faculty in several leadership roles including terms as Associate Dean in Outreach and in Research. Bharat was also a leader in the global research community and was active in establishing Computer Aided Architectural Design Research in Asia (CAADRIA) and on the editorial board of the International Journal of Architectural Computing (UK). He is remembered for the breadth of his capacities, the depth of his knowledge and his generosity of spirit.

D. Many of Bharat’s family, friends, colleagues and former students including CAADRIA contributed to the Gift. It is expected that there will be additional donations in the future.

E. This University Trust Record is the means by which the University records –

(1) the trusts upon which the University holds trust property, including the capital sum; and

(2) the administrative arrangements for the implementation and ongoing performance of those trusts from time to time.

The trust terms and administrative arrangements governing the Gift are as follows.

Trust Terms

1. A perpetual trust was established for the Purpose on receipt by the University of the Gift and the University is the trustee of that trust.

2. The University must invest and preserve the Gift and any accumulations and additions to the Gift and apply only the net income arising from the Gift to award the Scholarship/s.

3. Any unexpended income arising from the Fund referred to above in any year may be:

   (a) retained as income in which case it will be available in any subsequent year to be applied for Purpose; or
(b) added to the capital sum represented by the Gift, in which case that unexpended income will be forever regarded as capital and will therefore be preserved in the same manner as the capital sum represented by the Gift.

**Administrative Arrangements**

In order to implement the trust terms, the University has determined that:

1. The Gift and any further donations received by the University are to be transferred to the University’s long-term investment common fund at the end of the quarter following receipt by the University and remain there until Council otherwise directs.

2. The Dean of the Faculty of Architecture Building and Planning is authorised by the University to award each Scholarship on behalf of the University.
