- B. The testator directed that before paying or making over such share as aforesaid the trustees of his will should require the execution by or on behalf of the University of a deed or such other assurance as in the opinion of the trustees might be necessary to ensure that the corpus of the share should always be maintained and kept intact and properly invested and should be constituted and known as ‘The Sir John and Lady Higgins Research Scholarships Fund’ and that the income thereof could be applied exclusively for the purposes therein mentioned.
- C. A deed for the purpose has been executed by the University.
- D. The University received £19,306. 14s. 10d in satisfaction of the bequest, which sum increased to \$325,000 at 31 December 1994.

2. The fund forms the endowment of a scholarship called ‘The Sir John and Lady Higgins Research Scholarship’ (‘the Scholarship’).
3. (1) The scholarship is open to competition amongst students enrolled in the course for a higher degree by research to undertake research in the fields of industrial chemistry and biochemistry related directly to the study and development of the pastoral and agricultural industries.  
  
(2) Statute 10.2.1 does not apply to the award.
4. The scholarships are awarded by the Council on the recommendation of the postgraduate scholarships committee (‘the committee’).
5. The scholarship is awarded for the prescribed period of the courses for which the

recipient is enrolled and may on the recommendation of the committee be extended for a period not exceeding one year.

6. Out of the remainder of the income of the fund in each year an amount to be fixed by the committee may be applied at the discretion of the committee to defray the scholar's travelling or other expenses.
