

## UTR7.115 - THE NORMAN THOMAS MORTIMER WILSMORE RESEARCH FUND

### Recitals-

- A. Mrs. Leonora Jessie Wilsmore, late of Claremont in the State of Western Australia, who died on 26 May 1945, bequeathed to the University, subject to certain life interests which have now terminated, the whole of her residuary estate "to be applied by it to a Foundation of Research in pure or applied chemistry" in memory of her late husband Norman Thomas Mortimer Wilsmore a graduate of the University and later a professor of the University of Western Australia.
- B. The testatrix directed that the fund so provided should be named "The Norman Thomas Mortimer Wilsmore Research Fund".
- C. The University received cash and investments amounting to approximately \$120,000 in satisfaction of the bequest, which sum increased to \$757,549 at 31 December 1994.

It is provided as follows-

- 1. The cash and investments totalling \$757,549 and any accumulations and additions or substitutions with respect to them form a fund called "The Norman Thomas Mortimer Wilsmore Research Fund" ("the fund") and the fund be paid into an investment pool and remain there until the Council directs otherwise.
- 2.
  - (1) The net income of the fund is applied by the Council for such purposes of research in Pure or Applied Chemistry as the Council, on the recommendation of the faculty of Science ("the faculty"), from time to time determines.
  - (2) Without derogating from the generality of sub-section (1) the net income may be applied-
    - (a)
      - (i) to provide for the appointment from time to time of a visiting research fellow who is distinguished in the field of chemistry; and
      - (ii) to meet the incidental expenses associated with such appointment; or
    - (b) for the provision of equipment, material or the salary of any member of staff for the purposes of the conduct of the research referred to in sub-section (1).
  - (3) Any fellow appointed for the purposes of this regulation is known as the Wilsmore Fellow 'in Chemistry' or 'in Applied Chemistry' as appropriate in each case and is appointed for such term and on such conditions as the Council, on the recommendation of the faculty, on each appointment determines.
