

UTR7.216 – THE CATO CHAIR OF PSYCHIATRY

Recitals-

- A. Beginning in 1960 over the following ten years Mr Edward Alexander Cato of Toorak and his sister, Dr Una Beatrice Porter of Surrey Hills, gave the sum of £100,000 to the University to establish a chair in Psychiatry. Contributions to the fund were received also from an appeal.
- B. The Council made the first appointment to the chair in 1964 and resolved that it be known as the Cato Chair of Psychiatry.
- C. The Council resolved in 1969 that at least \$160,000 should be retained as capital if possible.
- D. The fund amounted to \$175,381 on 8 June 2001.

It is provided as follows

1. The sum of \$175,381.00 and any additions and accumulations to the sum forms a fund called The Cato Chair of Psychiatry Fund ('the fund') and the fund must be paid into an investment pool and remain there until the Council directs otherwise.
2. The net annual income of the fund is applied towards the payment of the salary, including provision for his or her retirement, of the professor who holds the title of 'The Cato Professor of Psychiatry' ('the professor').
3. The professor is appointed for such period and on such conditions as the Council from time to time determines.
