

UTR7.30 - W.P. GREENE BEQUEST

Recitals-

- A. William Pomeroy Greene, late of Rowsley, Victoria, who died on 18 January 1934 bequeathed a share of his residuary estate to the University "to be applied in the promotion and encouragement of cancer research".
- B. The University received the sum of £25,994 9s. 9d. in satisfaction of the bequest, which sum increased to \$54,874 at 31 December 1994.

It is provided as follows-

- 1. The sum of \$54,874 and any accumulations and additions to the sum forms the endowment of a fund called the "W.P. Greene Bequest" ("the fund") and the fund must be paid into an investment pool and remain there until the Council directs otherwise.
- 2. The income of the fund is used to promote and encourage Cancer Research.
- 3. The Council may at any time direct that the whole of the capital of the fund or any part thereof be resorted to for the purpose or purposes stated above.
