

## How to Login after Enrolment

This visual guide will help you quickly and easily access your University of Melbourne applications after enrolling for Multifactor Authentication. You will need <u>your pre-enrolled smartphone</u>.

Step 1	Step 2	Step 3
<image/> <section-header><section-header><section-header><section-header><section-header><text></text></section-header></section-header></section-header></section-header></section-header>	Sign In   Username   eg. jsmith   Dassword   Image:	<image/> <section-header><section-header><section-header><section-header><section-header><section-header><section-header><section-header><section-header><section-header><text></text></section-header></section-header></section-header></section-header></section-header></section-header></section-header></section-header></section-header></section-header>
Step 4	Step 5	
Yes, it's Me	Image: Weight of the signed into your MFA self-service dashboard and able to	Please be aware: MFA may prompt you at any time to confirm it's really you logging in.

sign in by selecting **"Yes, it's me".** 

access your University apps.

## **Need help with MFA?** If you require further assistance, please contact the Service Centre (Staff) or Stop 1 (Students).
