

UTR7.143 - HAZEL JEAN EASTHAM BEQUEST

Recitals-

- A. Hazel Jean Eastham, late of Lalor, in the State of Victoria, who died on 23 August 1985, bequeathed to the department of Ophthalmology of the University the whole of her residuary estate "to be used for the general purposes of research into treatment of cataracts of the eyes".
- B. The University received cash and investments totalling \$140,451 in satisfaction of the bequest.

It is provided as follows-

- 1. The cash and investments totalling \$140,451 and any accumulations and additions to them form a fund called the "Hazel Jean Eastham Bequest" ("the fund") and the fund must be paid into an investment pool and remain there until the Council directs otherwise.
- 2.
 - (1) The net income of the fund is applied for the purposes of research into the eye disease of cataract in the department of Ophthalmology of the University ("the department").
 - (2) The Council may on the recommendation of the head of the department direct that the capital of the fund be resorted to for the purpose set out in (1).

[Revoked as a Regulation and certified as a University trust record 26/5/10]
