

UTR7.188 - TREVOR BASIL KILVINGTON BEQUEST

Recitals-

- A. Trevor Basil Kilvington, late of "Cronton", 9 Inglis Road, Berwick in the State of Victoria, who died on 13 November, 1977, bequeathed his residuary estate to the University, subject to the life interest of his widow which was extinguished by her death on 14 October 1992. The bequest is directed to be held-

"UPON TRUST absolutely for the MEDICAL SCHOOL of THE UNIVERSITY OF MELBOURNE in the said State of Victoria for research into the still unsolved problems associated with pregnancy particularly the causes of hypertension eclampsia and renal dysfunction AND I DECLARE that the receipt of the Registrar Secretary Treasurer or other proper officer for the time being of the said University shall be a sufficient discharge to my Trustees."

- B. The University received \$634,513 in satisfaction of the bequest.

It is provided as follows-

1. The sum of \$634,513 and any accumulations and additions to the sum forms a fund called the "Trevor Basil Kilvington Bequest" ("the fund") and the fund must be paid into an investment pool and remain there until the Council directs otherwise.
2. The net annual income of the fund must be applied, on the recommendation of the faculty of Medicine, Dentistry and Health Sciences ("the faculty"), for research into the still unsolved problems associated with pregnancy, particularly the causes of hypertension, eclampsia and renal dysfunction.
3. The Council may, on the recommendation of the faculty, direct that the capital of the fund be resorted to for the purpose referred to above.
