

## **UTR7.178 – THE G.H. AND F.R. VASEY BEQUEST**

### Recitals-

- A. Florence Rosetta Vasey, late of 53 Ridge Road, Wantirna South who died on 6 January 1990, bequeathed the residue of her estate to the University 'for research into agricultural engineering' directing that the bequest be known as the 'G.H. & F.R. Vasey Bequest'.
- B. Gilbert Herbert Vasey joined the University as a lecturer in the then School of Agriculture in 1937 and became a senior lecturer in the School of Engineering in 1942. Although he retired in 1970 his contribution to the academic life of the University continued until his death in 1986. Mr Vasey is remembered especially for his standing as an international authority on tractor safety, performance and testing and for his foresight in encouraging the University to establish the discipline of Agricultural Engineering in 1956.
- C. The University received \$130,911 in satisfaction of the bequest.

### It is provided as follows-

- 1. The sum of \$130,911 and any accumulations and additions to the sum forms a fund called the 'G.H. and F.R. Vasey Bequest' ('fund') and the fund must be paid into one or more investment common funds and remain there until Council directs otherwise.
- 2. The net annual income of the fund must be applied by the dean of Melbourne School of Engineering ('dean'), on the recommendation of the head of the department of Infrastructure Engineering, to research in agricultural engineering, which includes but is not limited to the discipline of hydrology.
