UTR7. 225 – THE STEVENSON CHAIR IN PAEDIATRICS

Recitals–

A. In 1958 Dame Hilda Stevenson, who for many years was chair of the Royal Children’s Hospital Board of Management, gave to the University the sum of £100,000 to establish a chair in Child Health.

B. The University resolved that the chair be known as The Stevenson Chair in Child Health. The chair was renamed The Stevenson Chair in Paediatrics in 1965.

C. The fund stood at $265,598 at 16 August 2001.

It is provided as follows-

1. The sum of $265,598 and any additions and accumulations to the sum forms a fund called The Stevenson Chair in Paediatrics Fund (‘the fund’) and the fund must be paid into an investment pool and remain there until Council directs otherwise.

2. The net annual income of the fund is to be applied towards the payment of the salary including provision for his or her retirement of a professor who holds the title of ‘The Stevenson Professor in Paediatrics’ (‘the professor’).

3. The professor is to be appointed for such period and on such conditions as Council from time to time determines.
