

# How to Reset your Okta Enrolment

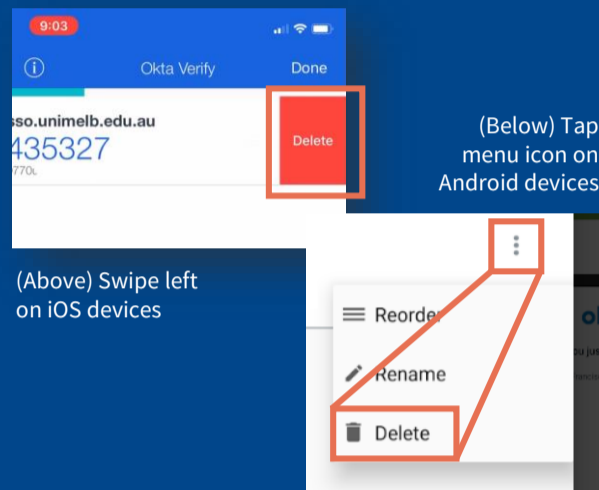

This visual guide will help you quickly and easily reset your Okta Verify enrolment. You will need internet access on a web browser, your previously enrolled smartphone and access to your backup MFA factor (if enrolled).

## Step 1

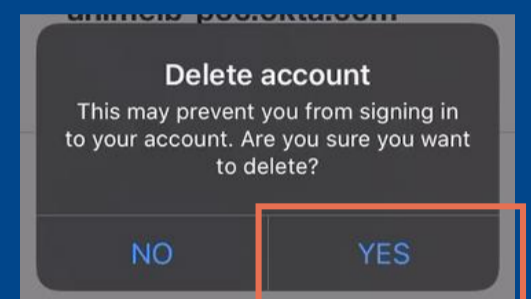

Open the Okta Verify app on your enrolled smartphone.

## Step 2

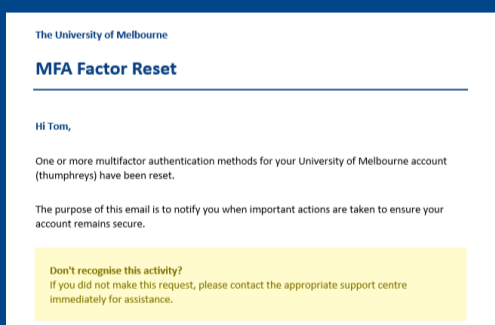

Select the options icon for **sso.unimelb.edu.au**, then **Delete**.

## Step 3

You will receive a prompt to remove enrolment for Okta Verify. Select **Yes (iOS)** or **Remove Account (Android)**.

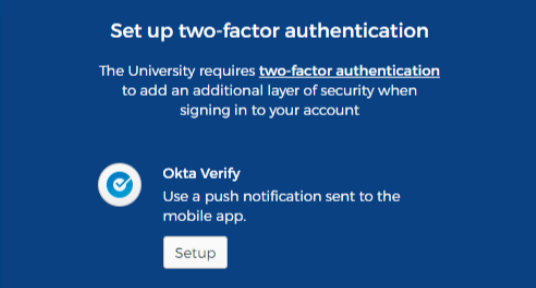

## Step 4

**Congratulations!** You have successfully reset Okta Verify.

You will receive an email notification confirming your MFA factor reset.

## Step 5

When you next login to a University of Melbourne application, you will be prompted to re-enrol.

## How to enrol

### To enrol now:

Go to [sso.unimelb.edu.au](https://sso.unimelb.edu.au), then select the **Setup button** next to **Okta Verify** and follow guided steps.

Or

### To get help with enrolling:

Go to [unimelb.edu.au/cybersecurity](https://unimelb.edu.au/cybersecurity), then select the **Enrolling for MFA** tab and follow enrolment video guides.

**Need help with MFA?** If you require further assistance, please contact the Service Centre (Staff) or Stop 1 (Students).
