

UTR7.2 - GUY MILLER TUTORSHIP IN OPERATIVE SURGERY

Recitals-

- A. Mrs. Albert Miller, formerly of Whernside, Toorak presented to the University the sum of £1,000 to endow a tutorship in Operative Surgery to be called the Guy Miller Tutorship in memory of her son, Captain Albert Guy Miller, M.B., B.S., R.A.M.C., who was killed in the War in 1915.
- B. The sum of £1,000 increased to \$3,403 at 31 December 1994.

It is provided as follows-

- 1. The sum of \$3,403 and any accumulations and additions to the sum forms a fund called the "Guy Miller Tutorship in Operative Surgery" ("the fund") and the fund must be paid into an investment pool and must remain there until the Council directs otherwise.
- 2. The duties of the tutor are those prescribed by the Council after report from the faculty of Medicine, Dentistry and Health Sciences ("the faculty") and from the James Stewart professor of Surgery.
- 3. The tutor is appointed annually by the Council after report from the faculty.
- 4. The tutorship is not to be held by the Stewart lecturer in Surgery or by the Stewart scholar in Surgery.
- 5. The tutor is eligible for re-appointment but must not hold office for more than five years unless the faculty by an absolute majority so recommends.
- 6. The tutor receives the income arising from the endowment during the preceding year, such income to be paid in instalments at the end of each semester.
- 7. If the office of tutor becomes vacant during any year the Council may, after report from the faculty, appoint a substitute for the remainder of the year who receives the balance still available of the income from the fund during the preceding year.
- 8. Any income not expended in the appropriate year must be added to and become part of the fund.
