training

# Services Team

We are [Energy.intersect.org.au](https://energy.intersect.org.au)

We are trusted to support research at your organisation, augmenting expertise in research practice, research data management and computing, problem solving, training, digital transformation and information security.

# Engagement

An on campus specialist;  
supported by 50+ years of  
experience; networked  
across members to leverage  
collective knowledge.
